**Ring til Norden** includes the following: 300 minutes per month for use when calling from Denmark to the Nordic countries (Sweden, Norway, Finland, Iceland).

When usage per month exceeds the included minutes, the price per minute for calls made from Denmark to the Nordic countries is DKK 1,20.

## 2 Services included

The following services are automatically included in the subscription: Voicemail,

Group Call, Call Transfer, Bill Ceiling, Call Waiting, ExtensionPlan, Call ID Display, Unconditional Call Forwarding, and Surf Control International. The following services may also be applied: Automatic Balance Check, Usage Control, Usage Alarm, SMS and Fax from Outlook, e•go and Self-Service. Please see the Prices and Terms for Complimentary Mobile Solutions for further information.

### **3 Invoicing**

Invoicing is made in arrears on a monthly basis unless otherwise agreed in the customer's special terms. Terms of payment: Invoice date + 21 days.

### **4 Amendment of terms**

Telenor is entitled to change the amounts, discount percentages and terms stipulated in the agreement. Notice will be given of amendments to the disadvantage of the customer not less than 30 days before the change takes effect. In such cases you will be entitled to terminate the agreement by giving a written notice of not less than 14 days provided that such notice is received by Telenor within 14 days from the customer's receipt of notice of the change.

### **5 Termination**

Business mobile subscriptions shall be non-terminable for 12 months from the registration date. A notice of termination shall be submitted in writing to Customer Service Business giving 90 days' notice.

### **6 Conversion**

A Nordic Enterprise subscription can be converted within the binding period to a subscription with a higher or equal monthly charge. The products should be a Nordic Enterprise subscription regarding the same agreement.

### **7 Assignment**

The subscription may be assigned to a third party if the new owner has a CVR number and may be approved for credit purposes by Telenor. The new owner shall assume all liabilities under the subscription. Assignment of individual subscriptions to customers without a CVR number shall only be possible if the subscription is at the same time

converted to a Telenor private subscription and the new owner can be approved by Telenor for credit purposes. Subscriptions comprised by a non-terminability period cannot be assigned.

### **8 The possibility of combination**

For information about combination of Telenor's complimentary products, please refer to Prices and Terms for Mobile Complimentary Products and Services. It is furthermore possible to set up Telenor Fixed-line, Direct Line or SIP Trunk and thereby obtain free internal telephony to fixed-line telephones.

### **9 Terms of free internal telephony**

Free internal telephony comprises national calls from own mobile numbers to own mobile and fixed-line numbers. Mobile Corporate Premium includes free internal telephony, which means unlimited calls to colleagues. Free internal telephony does not include calls from own fixed-line numbers to own mobile numbers, which are charged at the current rate.

### **10 Terms of Usage Control**

If you subscribe to Usage Control and you have reached your ceiling, you will not be able to make internal calls, not even if internal calls are included in your subscription. It is recommended to opt out of Usage Control if you want to be able to use your telephone for internal calls.

### **11 Terms of call charges**

Nordic Enterprise comprises call charges, including all calls and call attempts in Denmark to Danish numbers.

### **12 Terms of Call Forwarding**

Call Forwarding is the possibility of conditionally or unconditionally forwarding calls made to the subscriber to a Double SIM, another mobile or fixed-line number or to the Voicemail. Calls forwarded within the "ExtensionPlan" are not part of the minutes included. Calls forwarded outside of the "ExtensionPlan" are part of the minutes included.

**13 Terms of Call Transfer**

Calls transferred within the same "ExtensionPlan" are not part of the included Nordic Enterprise M and L minutes. Call transfer to other numbers are included in the Nordic Enterprise minutes.

**14 Terms of included SMS and MMS messages**

SMS and MMS messages cannot be used commercially or be resold to a third party. SMS and MMS messages to international numbers and numbers with additional charge or sent from abroad are not included. The standard SMS rate applies for all SMS messages sent, SMS message receipts and SMS messages from Voicemail sent after exceeding the SMSs included in the Subscription.

**15 Terms of data included**

Data included in the subscription only comprises data usage in Denmark. No payment is charged for usage exceeding the data included; however, speed will be reduced to 256/256 Kbit when the data included has been reached.

**16 Terms of Surf Control International**

With Surf Control International you are guaranteed that your data usage abroad cannot exceed DKK 360 ex. VAT per month. Your data connection will be temporarily barred when you have used data equivalent to DKK 360 ex. VAT in the current bill period. You will receive an SMS describing how you may continue to use data abroad. Surf Control International applies in all countries outside of Denmark. Surf Control International is free of charge. You have Surf Control International and may deselect it or change the limit to for example DKK 800 ex. VAT or DKK 4000 ex. VAT by calling Customer Service on 7212 0000. Surf Control International will not have any impact on your usage of regular calls and SMS, but it will not be possible to send MMS messages. Only your data usage abroad will be temporarily barred. You will still be able to use data when you get home. Read more about Surf Control International on [www.telenor.dk](http://www.telenor.dk)

**17 Limitations**

Nordic Enterprise SIM cards cannot be used in a Mobile Broadband dongle or in connection with M2M.
