

Protect your device with Mobile Insurance

Protection against everyday accidents

What does Mobile Insurance cover?

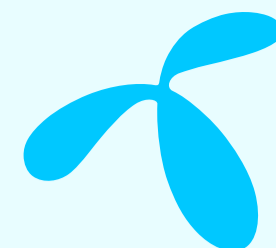

Mobile Insurance protects your phone against everyday accidents whether you've dropped it in the toilet or your dog has chewed on it.

- ✓ **Battery failure**
- ✓ **Screen error**
- ✓ **WiFi error**
- ✓ **Broken screens**
- ✓ **Liquid damage**
- ✓ **Speaker and sound errors**
- ✓ **Damage to the charging port**

Mobile Insurance - also for business

With Telenor Mobile Insurance, you'll quickly get back on track if your phone breaks. We understand that your mobile is essential for working on the go and ensuring your customers can reach you whenever they need to.

3 reasons to choose Mobile Insurance

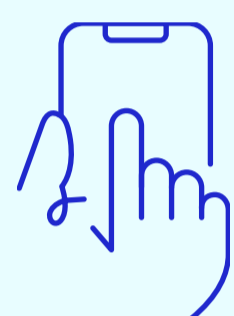

Worldwide cover

Your device is protected no matter where the damage occurs. Within the EU you get your replacement mobile within 24 hours.

Next day replacement

Get your mobile repaired immediately or have a new one delivered the next day. We cover the shipping costs.

Accidents and spills protection

Mobile insurance covers everything - whether you've dropped it while taking a selfie or you spilled your morning coffee.

First month

0,-

Normal price 49-89,-/mo.

Price and deductible

Mobile Insurance starts at 49,-/month. If your mobile breaks down, a deductible applies based on whether you opt for repair or replacement, and the original cost of your mobile.

Mobile price (without mobile discount)	Monthly payment (private and business*)	Deductible for repair	Deductible for replacement
Up to 2.999,- (business: up to 2.399,-*)	49,-	149,-	299,-
3.000 - 6.999,- (business: 2.400 - 5.999,-*)	69,-	299,-	599,-
Over 7.000,- (business: over 5.600,-*)	89,-	499,-	999,-

*Indicated prices for businesses are ex. VAT.

You can purchase your insurance only when buying a new mobile phone. Billing starts automatically after the first month. Your device is covered against accidental damage, as well as mechanical failure once the manufacturer's and retailer's warranties expire. Intentional damage, loss and theft are not covered. Your mobile will be replaced with the same model or one with similar features, which can be new or refurbished.

Get back on track in 2 simple steps

1 File a claim at www.squaretrade.eu/dk/telenor

2 Choose your preferred option:

Quick local repair

Have your mobile repaired at an authorized workshop within 1-2 hours

Next day replacement

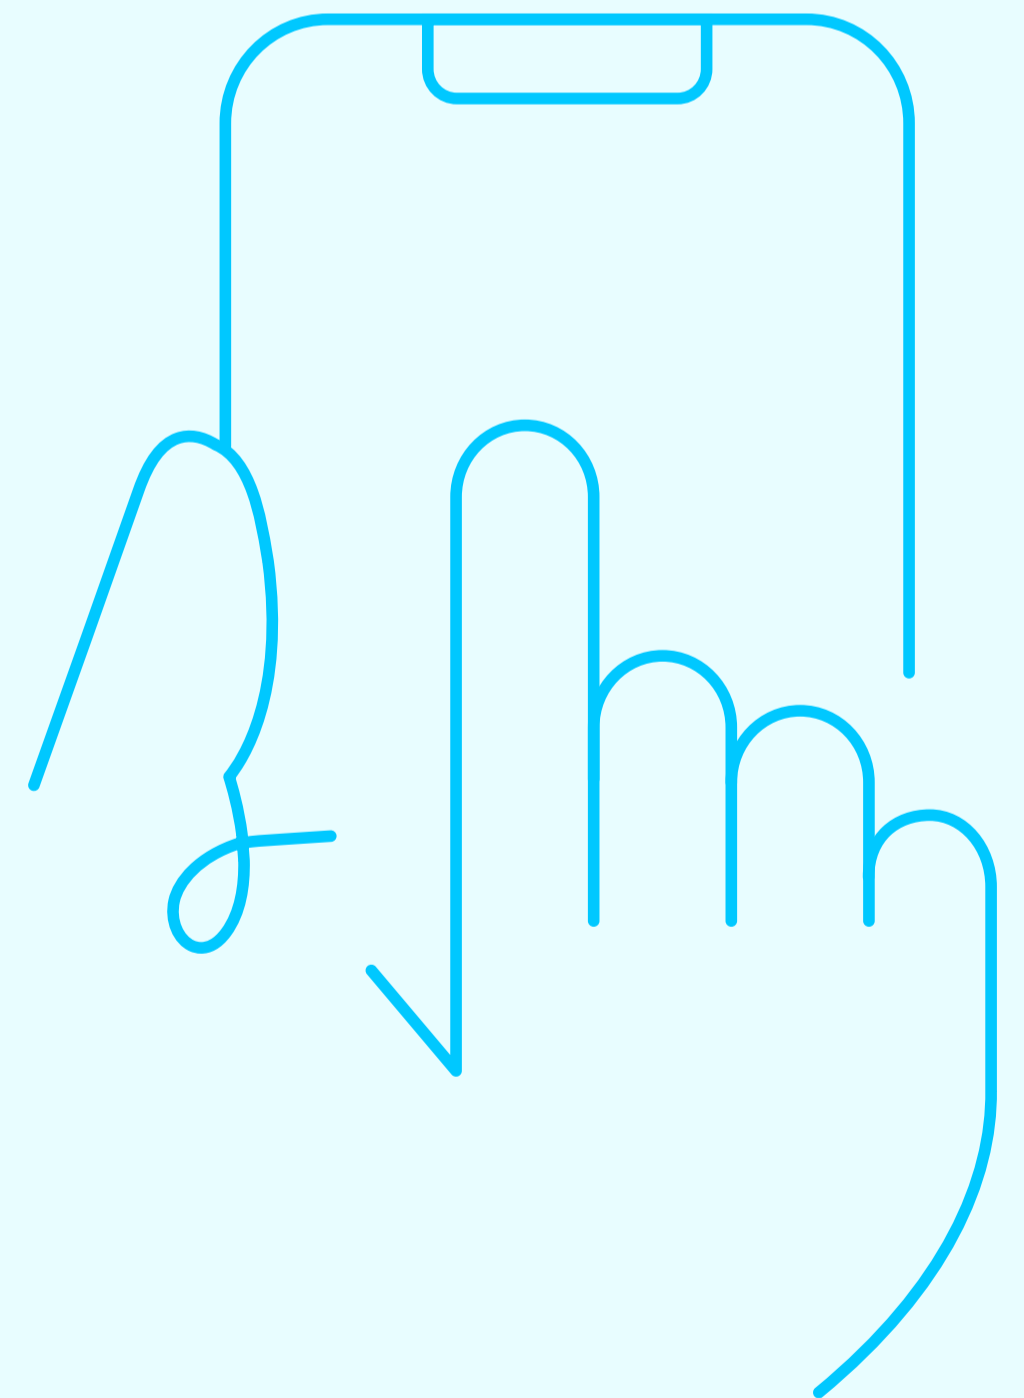

Get your device replaced the next working day throughout the EU. (Your mobile will be replaced with the same model or one with similar features, which can be new or refurbished).

Send for repair

Send us your damaged mobile and we will repair it within 72 hours.

Telenor is an Ancillary Insurance Intermediary of SquareTrade Europe Limited (STEL) (C90216), which is authorised in Malta as an insurance agent in terms of the Insurance Distribution Act. STEL is an agent for Starr Europe Insurance Limited (C85380) (the Insurer) and both agent and Insurer are regulated by the Malta Financial Services Authority.
